SUMMARY

My name is Abel, and I am a highly motivated and dedicated full stack web developer. I am committed to excellence in all that I do. I am always eager to take on new challenges. Furthermore, I have a solid foundation in HTML, CSS, JavaScript, React, Node.js, MongoDB and SQL. I am constantly seeking opportunities to expand my skill set. As an approachable and friendly team player, I believe in contributing to a positive and productive work environment. I am excited to utilize my skills and knowledge to develop innovative and user-friendly interfaces that enhance the digital experiences of end-users.
